## CAFOD'S RESPONSE TO RECENT NEWS REPORTS

At CAFOD all our policies and procedures are directed at ensuring we have zero tolerance of abuse of any kind. Poor and vulnerable people are the centre of our work and they often live in the most difficult and violent situations. Here, even the strongest of policies and practices may not stop abuses happening and in such cases we will act quickly and transparently, always with the welfare of vulnerable people coming first. In line with the worldwide Church we take safeguarding very seriously and share our skills with the Holy See, Bishops' Conferences and other Caritas agencies around the world, especially on child protection issues. Finally, can I ask you to keep in your prayers all those who have been affected by this situation especially those vulnerable individuals in Haiti and other countries around the world who have not been afforded the dignity and care they deserve.
