

From the Holy Name SVP

Ukraine SVP response and update

What is happening?

The unfolding crisis in Ukraine has shocked the world. We need to stand by our brothers and sisters and support Ukrainian people as much as possible. Over the past week we've heard harrowing stories of mothers fleeing with their children and of families seeking sanctuary and safety in neighbouring countries. The response of people across the globe has been incredible. Here in the UK, people have donated warm clothes, blankets and other essentials in a powerful display of solidarity.

How is the SVP responding?

The Vincentian Family has mobilised quickly to respond to this crisis, collecting donations and supporting our partners on the ground. We currently have three groups in Ukraine, and we also have twinned conferences in Romania who are assisting the refugees crossing their border.

Option to help via:-

SVP Disaster Fund
